Description: Looking for a Strict
Dominant lady Or couple
FF
ill live rent free as real
slave
Own me and controll my
hole life
Put me in collar
And sign a servitude
contract
I want a strict dominant
hard but fair Sadist
woman
A Mistress is fine but not
a nasty one who doesnt
understand things
I want a female led
relationship
To live with her
And be in house domestic
helper and bdsm sex slave
All i need is to go out
once a sunday
And once a fortnight to
see my daughter
But its only a couple
hours each time
And medical needs
Those only

But you can campany me
if you decide im not
allowed out house without
you or youre permission
My only two limits
is i dont accept financiall
domination from my own
money and no permanent
harm or injury
But to make it up you can
use me to others and you
get paid or sell my pics
and videos of what you do
to me online
You can degrade and
humiliate me
All these
Long as you love me
ill live by all youre rules
terms and conditions
ill accept all discipline
and punishment no matter
what they are long as no
permanent harm or injury
I accept severe and
extreme pain and bdsm
torture and deep marks
bruises and welts i accept
all
You make all decisions
over my life
Even when i sleep eat
drink toilet
I give totall power
exchange
Use me as you wish
Give me the orders
Make all decisions for my
life
Youre the boss
What you say goes
