Title: Inner East Strata Management Services
Description: InnerEast Strata Management Services (IESM) offers management services at affordable rates for the inner eastern suburbs of Melbourne. We manage communities in Kew, Balwyn, Doncaster, Surrey Hills, Box Hill, Canterbury, Camberwell, Hawthorn, Toorak, Richmond, Abbotsford, Collingwood, Fairfield, Northcote, Heidelberg and surrounding areas.

Our Director, Ms. Donna J. Foster CPSM CMCA has a wealth of experience

in front line management and training roles including property sales, property management and more recently in strata / owners corporation. As an active member of Strata Community Association (Vic) and a qualified trainer for the A100 short course 'Essentials of Strata in Australia' Donna fully appreciates the otherwise lack of education that has previously been available to new recruits to the industry and owners alike. In response the revised Certificate IV in Strata offered by RMIT in Melbourne has gone some way to addressing this urgent need for further education in strata community management.

Regular feedback from our clients / owners confirms our belief that transparency and ongoing communication are the two main concerns for members when entering into a contract with a new manager. At IESMS we continually aim to provide that transparency by taking the time to meet regularly with our clients / strata communities to discuss their particular needs. We make it our business to understand the

Owners Corporations Act
2006 and Regulations
2018 and to pass on this
knowledge to our clients
so they can make
informed decisions
regarding the future of
their strata communities.
