Title: 50yo Educated Man sks  
VWell Endowed Lady to  
50

Description: I am a 50 year old single  
man, caucasian,  
physically fit, I exercise  
regularly. I do not drink  
or smoke, but if others do  
I don't mind. I was born  
in the UK and have lived  
here most of my life.  
People would probably  
describe me as  
conservative in nature, but  
easy to talk to. I am not  
the loud partying type at  
all. I am looking for a  
monogamous physical  
relationship with a single  
lady who is physically  
very well endowed, and  
who is looking for a  
decent guy who takes care  
of himself. If interested  
please feel free to reply.  
Thank you for reading my  
ad.
