Title: 50yo Slim Fit Man sks
VWell Endowed Lady to
50

Description: I am a 50 year old single man, caucasian, physically fit, I exercise regularly. I am not a drinker or smoker, but if others do I don't mind. I was born in the UK and have lived here most of my life. People would probably describe me as conservative / quiet in nature, and not the partying type at all. I am looking for a monogamous physical relationship with a single lady who is physically well endowed, Thank you for reading my ad.
