Title: 50yo Educated Man sks
VWell Endowed Lady to
50

Description: I am a 50 year old single
man, caucasian,
physically fit, I exercise
regularly. I do not drink
or smoke, but if others do
I don't mind. I was born
in the UK and have lived
here most of my life.
People would probably
describe me as
conservative in nature, but
easy to talk to. I am not
the loud partying type at
all. I am looking for a
monogamous physical
relationship with a single
lady who is physically
very well endowed, and
who is looking for a
decent guy who takes care
of himself. If interested
please feel free to reply.
Thank you for reading my
