If the home is where the

heart is, then it's only fair to give your heart a chance to decide is it not? Welcome to List Estates Australia, your first step to finding the house or apartment of your dreams, your first step to finding a true home. We focus primarily on listings here in Australia, but we're open to ones from any country as well! List Estates is a place where real estate agents, private sellers, renters, and buyers alike can thrive.

We offer flexible packages to fulfill a variety of different needs, with our most highly favoured package coming with 3 months of advertising and up to 5 listings!

For the sellers, you can count on us to make your property stand out amongst other online listings. Our meticulous photography, high-resolution image quality, comprehensive videos, and immersive virtual tours all come together to ensure your place looks nothing short of irresistible.

And for the buyers, we guarantee a smooth ride from start to finish. Traditional real estate

websites are notoriously cumbersome and hard to use, so we made it a point to prioritise our user experience and transaction flow. You'll find several ways to contact us on our website.

Whether you're looking into a property as a potential investor or as someone excited to find a new home, List Estates will not disappoint.
