Title: LED Lighting Store by Ecoshift Corp
Description: Ecoshift Corporation is a proud LED lights manufacturer of premium lighting products in the Philippines. We take pride in our extensive range of eco-friendly architectural, commercial, and residential lighting fixtures that are made by our talented staff. All our LED products are manufactured in our state-of-the-art factory located in Metro Manila. As the top LED light manufacturer and supplier in the Philippines, we give great importance to our process to make sure that we are continuously providing our clients with the best products that they need. That is why we

ensure that each product undergoes our vertically integrated process; from materials, productions, sales, and up to deliveries. Additionally, with the help of the world's most innovative manufacturers, Ecoshift Corporation is constantly developing LED products to provide our customers with endless options of high-quality lighting products. Today, most customers look for eco-friendly products.
