Additional information

Additional Information:	Marine Surveyors Near Me

Experienced marine surveyor in Australia for surveys, audits, and inspections of ships. All ports in Australia, PNG, New Zealand, and Oceania offer services.

The leading ship brokering and ship inspections firm, Sea Waterline (SWL), was

established in Perth, Australia, in 2013. Our main goal is to use our knowledge of the business to act in the interests of our clients.

Brokering Services for Ships

Our services include new building supervision, technical consulting, primarily in the fishing vessel markets, offshore/renewables markets, and the patrol vessel markets. We partner with major Turkish Shipyards. Creating original projects To meet the needs of our global clientele, we have a team of highly qualified experts with decades of industry experience.

Services for Ship Inspections

We offer technical services for merchant ships and super yachts, as well as surveys, audits, and inspections. The bulk shipping industry, owners of super yachts, charter companies, brokers, P & I Club, port administrations, government agencies, and financial institutions make up the majority of our business partners and collaborators. Along with

New Zealand and the rest of Oceania, we provide service to every port in Australia.
