Description:

Valley Medical Weight Loss was named Best of the Desert for Weight Loss 2022 and has received over one-thousand 5-star reviews, thanks to our hassle-free treatment process and compassionate, approachable providers. Our weekly and monthly weight loss programs, coupled with our world-class aesthetic treatments, help patients to achieve the self-confidence, mobility, and sense of joy they deserve. While we avoid rigid, complicated contracts and restrictions,

we hold patients accountable to their individual goals, supporting them to look and feel their best for years to come. At Valley Medical, we make weight loss easy, fun, and affordable. Our welcoming, non-judgmental atmosphere instantly sets patients at ease, allowing for a more comfortable and rewarding treatment process. We believe that every person deserves to thrive, free from the burden and medical concerns associated with extra pounds. Patients can walk into our accessible weight loss clinics in Phoenix, Tempe and Glendale, AZ, and get started the same day with their medications and meal plans. No appointment is necessary! Semaglutide is a game charger. Considered safe for long-term use, this medication helps patients to shed as much as 15-20% of their body weight. With results nearly on par with bariatric surgery, Semaglutide is an excellent solution for jumpstarting your weight loss journey when combined with a healthy diet and exercise regimen. Semaglutide is especially

useful for obese patients struggling with weight-related medical conditions, such as hypertension and diabetes.
