Title: House designs
Description: A townhouse in Melbourne, Victoria is a type of residential property that is typically a multi-level attached dwelling, with one or more adjacent units sharing at least one common wall. The design is usually narrow and tall and offer a compact living space that is ideal for individuals, couples or small families.
Townhouses in Melbourne are commonly found in urban and suburban areas, and often feature modern designs and amenities, such as balconies, rooftop

terraces, and outdoor spaces. [House designs](#) is a popular choice for those who want the convenience of living close to the city while still enjoying the comfort and privacy of a standalone home.
