Listing details

Common

Title: Foreign Investor looking for business opportunitie
Description: I am an international businessman and an individual investor who is seeking trusted partners to invest / manage funds and to know the business atmosphere in your country. If you have a business idea, then I'm interested in learning more. My goal is helping you develop your profitable business / project for the future that will stand for years to come. I will be glad to know your area of specialization so that I can use as a reference point.

Contact me today if you need an investor with guaranteed success.
