Title: serval and caracal kittens for sale
Description: our kittens are very obedient; intelligent, sociable, affectionate and playful, very soft, tender and accommodating they are kittens very attached and very devote to their master to whom they like to prove each day their loves, they get along well with children and other animals it's a bit of dog cats that you can walk on a leash, you can learn from the tower and wait for your return behind the door, they need to have a permanent presence, whether human or animal,

a legend says that these cat brings happiness and brings success and well

being to its owner it is said that even in families without children, after the purchase of one of these kittens, baby was born in a miraculous way.

They can live in apartment as in house, They are always in quilt of caress, they have a very pleasant medium to hear, very harmonious and sweet. often they even coo, which is very cute.

they are very active, they are majestic and royal kittens who like to perch, they are very worthy and very reserver, they share with pleasure the walk with you.
