Job Title: Work From Home - Part Time - Business Opportunity
Job Type: Commission
Job Description: Have you been looking to take your talents and abilities to the next level?
Hundreds of Australians are leaving the workforce to become online business entrepreneurs.
This opportunity is open to motivated and driven individuals who would like to improve their lifestyle and begin a new career in online business.
What's in it for you:
An uncapped earning potential.
The ability to work from anywhere.
Flexibility in start up and running.
Working for only a few hours a day.
If it seems like this could be the opportunity you have been looking for and are you finding it harder to work for a boss, tired of being overworked and underpaid and have you always wanted a better life/work balance. Then build your own. Start part time or full time.

Our Online/Home based business system gives you the ability to create the financial results you are after, as well as a balanced lifestyle and complete flexibility. Learn from successful entrepreneurs in a supportive & fun environment.

This business is NOT about selling to your family and friends. NO coffee shop meetings, NO home parties, NO one on one presentations, NO stocking

of products and NOT MLM.

What We Offer :

- Work from home with your laptop & phone (basic skills required)
- A simple 3 step system
- Full training & ongoing support
- Highly lucrative - make up to \$8,000 per sale
- Learn to earn in a month what you earn in a year
- A fun, exciting & rewarding experience

What You Bring To The Table:

- A strong desire to become financially independent
- A professional & positive attitude
- Ready to reap the rewards of home business ownership
- Willing to embrace inner change to get better outer results

Your time will be spent placing simple ads, conducting brief scripted telephone interviews, investing time into training and mentoring others as well as your own personal development.

People from all walks of life are creating success following our simple, proven system including Mums and Dads, business managers, retirees, electricians, police officers, yoga teachers, ballet dancers, sales professionals, hairdressers, managers, corporate executives, healthcare professionals, former franchise owners, to name a few. Why not you?
