These lovey babies are very loving, loyal and have a lovely personality, as do all french bulldog's

Perfect frenchies available for there new family on the 8th may. Here we have a beautiful litter of gorgeous puppies from are baby girl noire

Mother is a kc registered true to type and is short and cobby girl with no health issues,

She has a short back. Perfect ear set and a extremely muscular thick frame for her height. She also has great straight feet witch most french bulldogs at the minute lack causing bad movement and health issues.

puppies raised in are family home with the hustle and bustle of daily life along with are 10 year old son lol

Father is a kc registered stud dog from Lancashire k9 and is of the famous shark line

with specialist in his beautiful blue colour. He is also a short and cobby boy with perfect ear set. Short back and nice straight legs and feet. He is a good thick muscular dog for his height and has made many a good quality puppies.

puppies are all chunky and have all been weaned onto a high quality diet which is much more healthy and biologically appropriate to your dog.

no time or money has bin spared on are babies

puppies will come ;
