#### Description:

Endowed Lady to 50 I am a 50 year old single man, caucasian, physically fit, I exercise regularly. I do not drink or smoke, but if others do I don't mind. I was born in the UK and have lived here most of my life. People would probably describe me as conservative in nature, but easy to talk to. I am not the loud partying type at all. I am looking for a monogamous physical relationship with a single lady who is physcially very well endowed, and who is looking for a decent guy who takes care of himself. If interested please feel free to reply. Thank you for reading my ad. Aug 20, 2021
