About Us

Speedy School Supplies is a Queensland family owned and operated business. Sharon & Louis Meerleveld purchased the business from the

previous owners in early October 2019. We both have teachers in our families both in Queensland and Victoria.

Speedy School Supplies has been operating since 1985 and is widely recognised for being friendly, professional and very service orientated. We have a large range of products which is enhanced by the assistance of friendly, experienced staff. Roslyn & Tina have been with the company for more than 10 years.

We specialise in the supply of Art, Craft, associated products to Early Childhood such as Day Care, Child Care Centres & Kindergartens. We also supply many Primary, Middle and High Schools with their preferred art & craft supplies. There are many Community Groups that we supply to including Galleries & Art Centres. We are extending our product range to include more from Elizabeth Richards & more Teachers resources.

We are proud to be a preferred supplier with Queensland Education Department & NSW

Education Department.

You may see Sharon out and about visiting schools & conferences – so please stop and say hello!
